## **BOOK SYNOPSIS**

For courses in 1- and 2-semester Anatomy & Physiology As an incredibly engaging study guide that can be used either independently or in conjunction with any A&P book, the Anatomy and Physiology Coloring Workbook helps students get the most out of their A&P classes. Dr. Elaine Marieb thoughtfully crafted the text to include a wide range of coloring activities and self-assessments. Students benefit from updated "At the Clinic" questions, a new major tissue figure, and updated terminology. Moreover, the text's "Incredible Journey" visualization exercises take students on an exciting adventure through the human body. Each step they take leads them into an amazing world where they can learn more about anatomical structures and physiological functions.
