## **BOOK SYNOPSIS**

A beautifully designed collectors edition of the second book in Diana Gabaldons blockbuster Outlander saga (now a Starz original series), featuring a new introduction by the author For twenty years, Claire Randall has kept her secrets. But now she is returning with her grown daughter to the mysteries of Scotlands mist-shrouded Highlands. Here Claire plans to reveal a truth as shocking as the events that gave it birth: the secret of an ancient circle of standing stones, the secret of a love that transcends centuries, and the truth of a man named Jamie Fraser--a Highland warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Claires spellbinding journey continues through the intrigue-ridden French court and the menace of Jacobite plots, to the Highlands of Scotland, through war and death in a desperate fight to save both the child and the man she loves.
