BOOK SYNOPSIS

This updated quick reference provides a contemporary perspective on pediatric physical therapy for both students and professionals. Following the "Guide to Physical Therapist Practice," this invaluable tool addresses growth and development, pediatric disorders, measurements, interventions, assistive technologies, and administrative issues--all in a rapid access format for daily consultation. For easier use, this edition features a larger trim size, with new boxes, figures, charts, and conditions. Separate chapters cover Intervention, Measurement & Disorders, and Assistive Technology. Expanded coverage of growth and development includes outcomes that occur when development is disrupted. Insurance coding information is also included.
