BOOK SYNOPSIS

In A Page OB/GYN & Womens Health is your timesaving solution to long hours and busy wards. In this innovative one-page format, you can review topics such as etiology/pathophysiology, differential diagnosis, presentation, diagnosis/evaluation, treatment options, and prognosis/complications for 126 topics. Organized by a womans life span, beginning in adolescence and ending with issues of elderly women, the book takes an integrated approach to womens health, obstetrics, and gynecology. Emphasis is on high-yield information and commonly encountered diseases, disorders, and medical issues. The book provides a visually distinct and unique way to help you learn and remember, and fits in your white coat pocket for on-the-spot reference.
