## **BOOK SYNOPSIS**

Loustaunau and Sanchez-Bane combine their many years of association and collaboration dealing with health issues of the U.S.-Mexico border area, to bring together a series of chapters illustrating that *asi es la vida*, "that's life," need not indicate a fatalistic acceptance that poverty, sickness, misery, and misfortune must be taken in stride. Focusing on specific problems of employment, education, drug addiction, violence, healthcare and women's issues, the chapters in this book encourage greater understanding of the U.S.-Mexico border. The contributors have researched, studied, worked with, or have been borderlanders themselves.

**RURAL HEALTH CARE INNOVATION IN A CHANGING ENVIRONMENT** - Are you looking for Ebook Rural Health Care Innovation In A Changing Environment? You will be glad to know that right now Rural Health Care Innovation In A Changing Environment is available on our online library.
