BOOK SYNOPSIS

With this book you will gain insight into the crucial part of the exam- the interview. While it is important for a candidate to focus on the written and physical ability parts of the exam, the interview often accounts for up to 100% of a candidates overall score. Lepore has proctored hundreds of entry-level and promotional interviews. He shares his unique ability to see the interview through the eyes of the rater. This book is presented in a question-answer format. It provides the candidate with a strong foundation on how to answer over 100 of the questions most commonly asked by fire departments across the country, and provides the rationale as to why the answer is correct. Answers to common situational questions deal with: moral issues, legal issues, violations of policies and procedures, ethical dilemmas, societal obligations, interpersonal conflicts. This updated book includes additional questions and answers.
